

CERTIFICATE OF COMPLETION

I hereby confirm *Ugo Lancia* has successfully completed
a 9 module distance-learning course in Essential Statistics in Medicine for
physicians and health professionals.

This intermediate-level course aims to enable medical professionals and
clinical researchers to critically appraise research findings, understand
problems involved in medical research design, procedures, analyses and
interpretations.

A handwritten signature in blue ink, appearing to read 'Alan Kelly', is written over a horizontal dotted line.

Professor Alan Kelly, Ph.D. C.Stat.
Associate Professor of Biostatistics
Trinity College Dublin

16 July 2013
